RCA VICTOR Stereo Action The Sound Your Eyes Can Follow

Stereo Action is a new concept of music in motion; a new dimension in recorded sound. Stereo Action brings you unmatched fidelity through the full sound spectrum, plus the exciting new illusion of sound in motion. Soloists and entire sections of the orchestra appear to move thrillingly back and forth across the room. Stereo Action is musical movement so real, your eyes will follow the sound.

IF YOU'VE GOT A STEREO SET, YOU'VE GOT TO HAVE THIS . . .
